STILLE-DEROSSETT-HALE SINGLE STATE CONSTRUCTION CODE ACT
Act 230 of 1972 (Excerpts regarding Agricultural Buildings)

AN ACT to create a construction code commission and prescribe its functions; to authorize the director to promulgate rules with recommendations from each affected board relating to the construction, alteration, demolition, occupancy, and use of buildings and structures; to prescribe energy conservation standards for the construction of certain buildings; to provide for statewide approval of premanufactured units; to provide for the testing of new devices, materials, and techniques for the construction of buildings and structures; to define the classes of buildings and structures affected by the act; to provide for administration and enforcement of the act; to create a state construction code fund; to prohibit certain conduct; to establish penalties, remedies, and sanctions for violations of the act; to repeal acts and parts of acts; and to provide an appropriation.

History: 1972, Act 230, Eff. Jan. 1, 1973;—Am. 1978, Act 442, Imd. Eff. Oct. 9, 1978;—Am. 1980, Act 371, Imd. Eff. Dec. 30, 1980;—Am. 1989, Act 135, Eff. Oct. 1, 1989;—Am. 1994, Act 22, Eff. May 1, 1994;—Am. 1995, Act 270, Imd. Eff. Jan. 8, 1996;—Am. 1999, Act 245, Imd. Eff. Dec. 28, 1999.

125.1502a Additional definitions.

Sec. 2a. (1) As used in this act:

(a) "Agricultural or agricultural purposes" means of, or pertaining to, or connected with, or engaged in agriculture or tillage which is characterized by the act or business of cultivating or using land and soil for the production of crops for the use of animals or humans, and includes, but is not limited to, purposes related to agriculture, farming, dairying, pasturage, horticulture, floriculture, viticulture, and animal and poultry husbandry.

125.1510 Application for building permit; form; fee; contents; statement; site plan; affidavit; filing written instrument designating agent, attorney, architect, engineer, or builder; additional information required for residential builder or residential maintenance and alteration contractor, master or journeyman plumber, electrical contractor or master or journeyman electrician, or mechanical contractor; statement required in building application form; filing application; availability of application and other writings to public; custody of application; imposition of requirements for additional permits; buildings for which permit not required.

Sec. 10. (1) Except as otherwise provided in the code, before construction of a building or structure, the owner, or the owner's builder, architect, engineer, or agent, shall submit an application in writing to the appropriate enforcing agency for a building permit. The application shall be on a form prescribed by the commission and shall be accompanied by payment of the fee established by the enforcing agency. The application shall contain a detailed statement in writing, verified by affidavit of the person making it, of the specifications for the building or structure, and full and complete copies of the plans drawn to scale of the proposed work. A site plan showing the dimensions, and the location of the proposed building or structure and other buildings or structures on the same premises, shall be submitted with the application. The application shall state in full the name and residence, by street and number, of the owner in fee of the premises on which the building or structure will be constructed, and the purposes for which it will be used.

(2) If construction is proposed to be undertaken by a person other than the owner of the land in fee, the statement shall contain the full name and residence, by street and number, of the owner and also of the person proposing the construction. The affidavit shall state that the specifications and plans are true and complete and contain a correct description of the building or structure, lot, and proposed work. The statements and affidavits may be made by an owner, or the owner's attorney, agent, engineer, architect, or builder, by the person who proposes to make the construction or alteration, or by that person's agent, engineer, architect, or builder. A person shall not be recognized as the agent, attorney, engineer, architect, or builder of another person unless the person files with the enforcing agency a written instrument, which shall be an architectural, engineering or construction contract, power of attorney, or letter of authorization signed by that other person designating the person as the agent, attorney, architect, engineer, or builder and, in case of a residential builder or maintenance and alteration contractor, architect, or engineer, setting forth the person's license number and the expiration date of the license.

(3) A person licensed or required to be licensed as a residential builder or residential maintenance and alteration contractor under the occupational code, 1980 PA 299, MCL 339.101 to 339.2721, a master or journeyman plumber pursuant to 1929 PA 266, MCL 338.901 to 338.917, an electrical contractor or master or journeyman electrician pursuant to the electrical administrative act, 1956 PA 217, MCL 338.881 to 338.892, or pursuant to a local ordinance, or as a mechanical contractor pursuant to the forbes mechanical contractors act, 1984 PA 192, MCL 338.971 to 338.988, who applies for a building permit to perform work on a residential building or a residential structure shall, in addition to any other information required pursuant to this act, provide on the building permit application all of the following information:

(a) The occupational license number of the applicant and the expiration date of the occupational license.

(b) One of the following:

(i) The name of each carrier providing worker's disability compensation insurance to the applicant if the applicant is required to be insured pursuant to the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941.

(ii) The reasons for exemption from the requirement to be insured if the applicant is not required to be insured under the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941.

(c) One of the following:

(i) The employer identification number, if the applicant is required to have an employer identification number pursuant to section 6109 of the internal revenue code.

(ii) The reasons for exemption from the requirement to have an employer identification number pursuant to section 6109 of the internal revenue code if the applicant is not required to have an employer identification number pursuant to section 6109 of the internal revenue code.

(d) One of the following:

(i) The Michigan employment security commission employer number, if the applicant is required to make contributions pursuant to the Michigan employment security act, 1936 (Ex Sess) PA 1, MCL 421.1 to 421.75.

(ii) If the applicant is not required to make contributions, the reasons for exemptions from the requirement to make contributions under the Michigan employment security act, 1936 (Ex Sess) PA 1, MCL 421.1 to 421.75.

(4) The building permit application form shall contain the following statement in 8-point boldfaced type immediately above the location for the applicant's signature:

"Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines."

(5) The application for a building permit shall be filed with the enforcing agency and the application and any other writing prepared, owned, used, in the possession of, or retained by the enforcing agency in the performance of an official function shall be made available to the public in compliance with the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. An application shall not be removed from the custody of the enforcing agency after a building permit has been issued.

(6) This section shall be construed to allow the imposition of requirements in the code, or in other laws or ordinances, for additional permits for particular kinds of work, including plumbing and electrical, or in other specified situations. The requirements of the code may provide for issuance of construction permits for certain of the systems of a structure and allow construction to commence on those systems approved under that permit even though the design and approval of all the systems of the structure have not been completed and subsequent construction permits have not been issued.

(7) Notwithstanding this section, a building permit is not required for ordinary repairs of a building and structure.

(8) Notwithstanding this section, a building permit is not required for a building incidental to the use for agricultural purposes of the land on which the building is located if it is not used in the business of retail trade.
