BONDING PROPOSAL

Shall Mesick Consolidated Schools, Wexford and Manistee Counties, Michigan, borrow the sum of not to exceed Twelve Million Eight Hundred Eighty Thousand Dollars (\$12,880,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

erecting, furnishing and equipping additions to, and remodeling, furnishing and refurbishing, and equipping and re-equipping the junior/senior high school; acquiring and installing instructional technology in the junior/senior high school; and preparing, developing, improving and equipping playgrounds, athletic fields and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2018, is 4.7 mills (\$4.70 on each \$1,000 of taxable valuation) for a 1.2 mills net increase over the current year's levy. The maximum number of years any series of bonds may be outstanding, exclusive of any refunding, is thirty (30) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.77 mills (\$3.77 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$-0-. The total amount of qualified loans currently outstanding is \$-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
