AGENDA ITEMS

G.1. Maintenance Report

Mr. Adam Kerr, Maintenance Director, was not present, a report was provided in the packet.

G.2. Civic Center Report

Mr. Mike Figliomeni, Boon Sports Management, was not present. A profit/loss report was distributed at the beginning of the meeting.

G.3. Door Overhang Discussion

Madame Chair Theobald informed the committee that she had asked that this be added to the agenda because she serves on the District Health Department #10 Board of Health along with Commissioner Taylor; and it had been brought to the attention of Commissioner Taylor, herself, and Administration that the health department building has been paid off.

In addition to that some employees at the health department and courthouse have requested the employee entrances should have an overhang to protect from the elements while entering the building. Madame Chair Theobald stated that she would like to see this done for the employees.

A motion was made by Comm. Baughan and supported by Comm. Hurlburt to have Mr. Kerr, Maintenance Director get quotes per County Policy for the placement of overhangs at the employee entrances of the Courthouse and the Health Department. A vote was called, all in favor. Motion passed 4-0.

Re: Wexford County Parks and Recreation Plan

Timeline

Between this meeting and March, I am hopeful that we can finalize a survey to be sent out from approximately Monday, March 6th to Monday, May 1st (available for 8 weeks of response). The survey will be advertised through various means including emails to various organizations and all local units of government, social media, and news releases. Additionally a flyer will be created which will include a QR code and a survey link that is easy to type into a browser (ex: WexfordRecSurvey).

One of the important aspects to this plan development will stem from the multiple public input opportunities in addition to the survey. We are currently planning for 3 pop up events, 1 community open house, and planning sessions at 2 area schools. While the public input is being gathered, we will work on developing a draft plan for Committee review, including the community description and recreation inventory. Towards the end of the summer, we should be developing and refining the goals and objectives and action plan, culminating in a full draft by September.

After the full draft has been approved for release by the Building and Recreation Committee, the 30 day public comment period can begin. Following the comment period, the approval process can begin which includes a public hearing. This public hearing can take place at a Building and Recreation Committee meeting, who will recommend approval of the plan to the Board of Commissioners, who will ultimately approve and adopt the plan by resolution. The plan must be adopted by the County prior to and submit to the Michigan Department of Natural Resources by February 1, 2024.

Survey

Attached for your review and input is the beginning stages of a public input survey. This has been developed from previous surveying experience and the existing County Parks and Recreation Plan. Please feel free to add, change, or ask questions about any of the surveying. As mentioned above, I am hopeful that we can finalize this survey by the March meeting so we can release the survey for response. At the March meeting, we will have the flyer available for review.

Public Input Sessions

We are in the early stages of planning for these, so I would like to have a brief discussion to gain some ideas of locations, venues, times, etc. that we can host 3 pop up events. Additionally, a brief discussion for the Community Open House would be beneficial. Lastly as a point of information, Zach Vega, Community Planner, is working towards gathering school public input. We previously had a receptive conversation with Jennifer Brown, CAPS Superintendent, about this. We anticipate working with multiple 6th grade classes and multiple 9th grade classes to gain additional perspective.
