Step-Parent Adoption Information

All persons contemplating any legal adoption procedure should be aware that the law regarding adoptions is complicated and frequently changes. Because the results of a mistake in an adoption proceeding can be very serious, all persons are strongly encouraged to consult with an attorney skilled in adoption law and retain legal advice and services in adoption proceedings. ***The county clerk staff and court staff are specifically prohibited by law from giving legal advice or assistance in adoption proceedings.*** Michigan Compiled Laws 700.1211 clearly states: "Court personnel shall not provide or offer to provide legal advice or legal counsel to a fiduciary or an interested person and shall not complete a form, petition, or document for a fiduciary or an interested person..."

All adoption petitioners and their attorneys should be aware of the following general legal requirements and local practices. However, please note that even within these general statements, there are exceptions, ***and legal advice should be sought about the particular facts of each case.*** ***The county clerk staff and court staff are specifically prohibited by law from giving legal advice or assistance In filling out your paperwork.***

1. The petitioners seeking to adopt a person must file the petition in the county in which they reside or were the adoptee is found.
2. Michigan Law provides that a single person may adopt a person, but if the adopting parents are married, generally ***both*** parents must join in the petition for adoption. In addition, Judge Van Alst requires that married petitioners be married at least six months before an adoption petition may be filed. In 2012, effective January 9 2013, a change in the law was passed by the legislature that allows adoption by only one person of a married couple, but that is in very limited circumstances and you should obtain legal advice before filing this kind of request.
3. The filing fee is \$185.00 (\$175.00 for a new case and \$10.00 for the certified copy of the Order of Adoption after the final hearing). In addition, there may be other fees for publication notices if

required, fees for modification of state vital records and statistics information, and/or service of process fees.

4. A Home Study of the proposed adoptive home is required. (MCL 710.46) The petitioner(s) may obtain a home study by contacting and purchasing from a private agency (such as Bethany Christian Services or Child and Family Services of Northwest Michigan), or other similar licensed providers. If the petitioner(s) do not secure a Home Study privately, the required study and report may also be sought and prepared by the Wexford County Juvenile Officer for a fee of \$250.00, payable in advance to Wexford County Clerk.

5. All pleading forms must be filled out completely and in compliance with Michigan Court Rules. *This requires that they be on clean, good quality paper, either typewritten or printed in black or blue ink with the print to be no smaller than 12 point.* The clerk is required by *MCR 1.109* to reject nonconforming pleadings.

6. All required pleadings, fees and processes must be completed before the case will be scheduled for any hearings. These requirements include:

- Petition for Adoption-PCA 301;
- Petitioner's Verified Accounting-7 & 21 Day-PCA 34;
- A certified copy of the adoptee's birth certificate (this will stay in the file and is not returned, even if the adoption is not confirmed);
- A copy of the adopting parents' Marriage License (if applicable);
- A copy of the Affidavit of Parentage, Divorce Decree and/or Support Order including any modifications that show the prior Court files involving the Adoptee;
- A copy of the Death Certificate (if a biological parent is deceased);
- A copy of the Guardianship Papers (if applicable);
- Three Reference letters;
- \$50.00 check or money order made payable to the State of Michigan. This is sent to Vital Records after the adoption has been confirmed to issue a new birth certificate (if the child was born in Michigan). If the child was born in another state, the petitioner would need to contact the state of birth on information to correct the birth certificate after the adoption is finalized.

7. If the child must be made legally available for adoption by termination of a biological parents' rights the following additional petitions or pleadings may be required, along with an additional \$20.00 filing fee for each Supplemental Petition.

PCA 302-Supplemental Petition and Affidavit to Terminate Parental Rights of Noncustodial Parent (father or mother) for failure to pay support *and* failure to exercise parenting time for two years. This would be used in the case where the biological parent is known, but the non-custodial parent has not exercised parenting time or paid support for two years. **Both of these conditions must exist for this Petition to be filed.** Even if the

non-custodial parent has paid support, but not visited within the last two years, both conditions must exist in order to use this form. **This form also needs to be notarized.**

PCA 310-Peition for Hearing to Identify Father and Determine or Terminate his Rights. You need to read this form to see if it fits the situation. Not all of the boxes need to be checked, but if any of them fit the situation, this form may be used to determine who the father is and to terminate his rights.

PCA 315-If the father is not known (no one listed on the birth certificate; there is no support or custody order in place and no acknowledgment of paternity), then the mother must file a form called Declaration of Inability to Identify/Locate Father.

8. The petitioner is responsible for proper and timely service of notice of the proceeding to all parties that are required by law to be served. Proof of proper and timely service must be made in the court file as required by the Michigan Court Rules.

In special circumstances, there may be other forms that are required. Again, it is stressed that the Clerk's Office is not responsible for assuring that the correct forms are selected or filed, and if the incorrect forms are filed or are not correctly filled out, the case may be delayed or dismissed. It is the petitioners' responsibility to do everything correctly, so assistance by an attorney is strongly recommended.
