AGENDA ITEMS

G.1. Discussion on Current Litigation Matters

Mr. Porterfield, County Administrator, informed the committee that there should be updates on case closure for the Tax Foreclosure lawsuit. Continuing to receive information on the Opiate cases.

G.2. Infrastructure Alternatives Inc. Monthly Report

Tom Lutke, IAI Project Manager, reviewed his report with the committee. There was a new customer that had reached out to Mr. Lutke regarding tapping into the water supply. They had just purchased a property and the property was not residential at the time of the placement of the system. However, they are looking to make it a residential piece and they are unable to place a well due to the RAP area. In 2014 the cost of hooking up to the water system was an estimated \$326,000.00. Chair Taylor asked Mr. Porterfield if he could reach out to Mr. Staub from Pescador to see about amending the RAP area or the cost of amending the RAP area to exclude this property or if it is possible.

G.3. AAANM Fiscal Year 2024 Area, Plan Review, Comment, and Support

Correspondence provided. Plan will be attached to the resolution for the Board packet. There were no concerns.

Item G.5. Addiction Treatment Services Mobile Unit Discussion

Ms. Lesley Teltor, from Addiction Treatment Services, presented to the committee on an outreach program for substance abuse disorders. Ms. Teltor is seeking permission from the County to have a mobile treatment unit at the District Health Department parking lot once a week, preferably on Tuesdays. District Health Department #10 is working with Addiction Treatment Services for conjunction of care. The mobile unit would have a trained clinician administering medication led treatment for treatment of substance abuse along with a peer support counselor. Other resources would include getting those enrolled for insurance, virtual setups for counseling sessions, and referrals for outreach programs and services. All liability insurance and funding are covered by Addiction Treatment Services.

A motion was made by Comm. Potter and supported by Comm. Theobald to forward a recommendation to the full board to approve Addiction Treatment Services mobile unit to run at District Health Department #10, with a legal counsel approved resolution.
