COUNTY OF WEXFORD, MICHIGAN

Agreement for Subaward of Federal Financial Assistance American Rescue Plan Act (ARPA)

WHEREAS, the County of Wexford ("County") has received funding through the American Rescue Plan (ARPA) Act of 2021 Federal Award Identification Number _____(FAIN); and,

WHEREAS, one of the eligible and authorized uses for such funds is use for "necessary investments in water, sewer, or broadband infrastructure". By rule, such authorized use includes a broad range of projects that improve access to clean drinking water, improve wastewater and stormwater infrastructure systems and provides local governments with "wide latitude to identify investments in water and sewer infrastructure that are of the highest priority for their own communities, which may include projects on privately-owned infrastructure"; and,

WHEREAS, ARPA permits a local government to transfer funds to other entities, including other levels or units of government including special-purpose districts that perform specific functions in the community, such as water or sewer districts; and,

WHEREAS, Lake Mitchell Sewer Authority has applied to the County for transfer of ARPA funds; and,

WHEREAS, the County has agreed to make ARPA funds on available to the Lake Mitchell Sewer Authority ("Subrecipient") on a not-to-exceed basis for identified measures and necessary investments to improve wastewater infrastructure systems, specifically the acquisition, but not installation of not less than two C30N6, 30kW, 60Hz, Standby, Natural Gas/Propane Genset, 1800rpm engine generators, as more particularly described in the Preliminary Engineering Report dated January 2020 (hereinafter referred to as the "Program") subject to the terms and conditions of this Agreement; and

NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, **IT IS HEREBY AGREED** as follows:

THIS AGREEMENT is made the ____ day of _____ 2022, by the COUNTY OF WEXFORD, a municipal corporation, with offices located in the County Administration Building, 437 East Division Street, Cadillac, MI. 49601, as the pass-through entity (hereinafter referred to as the "County") and, the LAKE MITCHELL SEWER AUTHORITY, a Michigan public utility authority organized under the provisions of Act 233 of the Public Acts of Michigan of 1955, as amended, located at 3161 S. Lake Mitchell Dr., Cadillac, MI. 49601) (hereinafter often referred to as the "Subrecipient").

ARTICLE I – REQUIRED DATA ELEMENTS

Subrecipient shall provide data elements detailed in Section 200.331 of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225, 230) issued December 26, 2013 by the Executive Office of the President, Office of Management and

Budget, hereinafter referred to as the Uniform Guidance) including its DUNS registered name, DUNS number, and all fulfill other pre-award requirements.

<u>ARTICLE II – DURATION AND SCOPE OF SERVICES</u>

<u>Section 1</u> - Agreement Period and Termination. The Subrecipient shall commence performance of the services and obligations required of it hereunder on the date this Agreement is fully executed by the Parties hereto and shall terminate one (1) year from the date of commencement, at which time this Agreement shall terminate.

Notwithstanding any other provision in this Agreement to the contrary, the County may terminate this Agreement at any time, with or without cause, upon delivery of ten (10) days prior written notice to the Subrecipient. In the event this Agreement is terminated for any reason, the Subrecipient shall immediately stop making new commitments requiring expenditures of ARPA funds and return all unexpended funds to the County as directed by the County's Administrator's Office. It is expressly understood and agreed that in the event of a breach of this Agreement by the Subrecipient and its termination by the County, the County, in addition to the Agreement's termination, reserves the right to seek any other remedies available in law or in equity.

<u>Section 2</u> - Scope of Services. The Subrecipient shall develop and implement the Program to improve wastewater infrastructure systems as detailed in the Preliminary Engineering Report dated January 2020 which is incorporated by reference into this Agreement and made a part hereof.

Section 3 -Subaward Amount and Timing.

- a. The subaward amount to be paid by the County to the Subrecipient under this Agreement shall be up to, but not exceed the sum of \$100,000 payable from ARPA Funds. The allocation of ARPA funds is subject to the terms and conditions of this Agreement and the County's actual receipt of the ARPA funds. Payment of the full amount of the funds shall be made to the Subrecipient via electronic funds transfer (EFT) in disbursements according to a payment schedule to be determined by the County.
- b. The Subrecipient shall receive such compensation as follows:

The Subrecipient may request an advance of funds under this Agreement if it maintains or demonstrates the willingness to maintain both:

- written procedures that minimize the time elapsing between the transfer of funds from the County and the subsequent disbursement of the funds by the Subrecipient,
- 2. financial management systems that meet the standards for fund control and accountability as defined in Section 200.305 of the Uniform Guidance.

Requests for advance of funds must be limited to the minimum amount needed and must be timed to be in accordance with the actual, immediate cash requirements of the Subrecipient in carrying out the terms of this Agreement. The timing and amount of the advance must be as close as is "administratively feasible" to the actual disbursement to be made by the Subrecipient.

If the Subrecipient does not meet the requirements for advance funds, it shall submit periodic reimbursement requests to the County. This may be done on a monthly or quarterly basis. The reimbursement request shall be accompanied by the agreed-upon financial and programmatic reports. Committee Meeting Date: 10/25/2023

BOC Meeting Date: 11/1/2023

Action Request (proposed motion for the Board to consider):

Approval to send to the full BOC board for Central Dispatch to purchase the MEVO Anywhere Mobile Kit.

Financial Information (note the total cost, if the cost is budgeted, if there will be any future costs, e.g., maintenance contracts, and any other information that would assist the commissioners with this decision):

Total one-time equipment cost is \$7,755.37 with a yearly annual service fee starting year 2 of \$2,235.19.

Equipment and annual service fee will be coming from Central Dispatch line item 261-000-980.00 Money is there for this purchase.

This is a proprietary system to the State of Michigan 911 network, and we are unable to purchase from anywhere else, or purchase any other type of system.

Summary (explain why the action is necessary and the desired outcome after implementation):

The MEVO Anywhere Mobile Kit is a backup 911 phone system built into a hard portable case. This product is approved by our 911 network provider and will be connected directly into them when in use using the included FirstNet service or can be plugged into any internet connection. There will be two (2) phones in this case, which can be used at large incidents to answer 911 calls when/if a mobile dispatch or secondary dispatch center is set up. These can also be used if we need to abandon our current building for a short or long period of time and continue to answer 911 calls from the public.

Timeline (if request is approved at BOC meeting date noted above):
Once approved, I will contact Indigital and get the order started.

Thank you for choosing the Ottawa County Juvenile Detention Center (OCJDC) for your Court's detention and programming needs. After a careful evaluation of costs, the Court has determined a rate increase is necessary to continue providing the high level of service our court partners have come to expect. Attached is a contract you can sign and return or let us know if any contact/ signatory information needs to be changed and we will correct it and resend. If you would prefer to wait until

you are considering using a bed that is fine as well.

Effective October 1, 2023, the following rates will go into effect:

- Daily Bed Rental \$290/day
- RISÉ Treatment Program (female specific programming) \$340/day

We hope you will continue to use the OCJDC to meet the detention and programming needs for youth in your jurisdiction. If you have any questions or concerns about the rate changes, please contact me.

Sincerely,

Thom Lattig

OTTAWA COUNTY JUVENILE DETENTION CENTER BED RENTAL AGREEMENT

This Agreement is made among WEXFORD COUNTY acting through the authority of the 28th Circuit Court and its legislative funding body, the County Board of Commissioners (collectively the "Placing Agencies") and Ottawa County, acting through the 20th Judicial Circuit Court (""20th Circuit") and its legislative funding body, the Ottawa County Board of Commissioners ("Ottawa"):

Whereas the Ottawa County Juvenile Detention Center ("Detention Center") is owned by Ottawa County but is a court not county operated juvenile detention facility that is managed by the 20th Circuit Court and is subject to all the rules and regulations under Michigan law pertaining to court management juvenile detention facilities.

Whereas the Placing Court orders certain court wards into detention and/or treatment facilities; administers the local county Child Care Fund ("Placing CCF"); and desires to enter into this Agreement for the purpose of renting secure detention and treatment beds for delinquent juveniles within its jurisdiction.

Now, therefore in consideration of the mutual covenants and promises contained herein, the parties agree as follows:

I TERM OF AGREEMENT

This Agreement shall begin on October 1, 2023, and will be effective for three (3) years unless terminated earlier as provided herein or as amended by the parties in a like writing signed by all parties. Any party may terminate this Agreement by giving the other parties written notice, postmarked or hand delivered, at least thirty (30) days prior to the intended date of termination.

II THE DETENTION CENTER'S DUTIES

- 1. House juvenile offenders ("Juveniles") under the jurisdiction of the Placing Court at the Detention Center. The Detention Center will treat all such Juveniles with respect and in the same manner as other juveniles housed at the Detention Center in accordance with the policies, rules, and regulations of the 20th Circuit and the Michigan Department of Health and Human Services, Bureau of Regulatory Services.
- 2. In addition to the occupancy of a secured bed/board and care, various treatment services may be available to a juvenile from the Placing Court upon mutual agreement. Additional costs related to the case while a juvenile is in the care of the Detention Center (e.g., psychological or other assessment/testing) fall outside this Agreement and may be arranged with the 20th Circuit, and such arrangement will be documented at the Detention Center and the Court.
- 3. Although nothing herein shall be considered a third party beneficiary contract nor a waiver of the 20th Circuit's or Ottawa's governmental immunity or any other defense, including but not limited to the fact that the employee's and/or officer's behavior might be outside the scope of employment, and without waiving or modifying the Ottawa Indemnitees' defense and indemnification rights below, the Detention Center and the 20th Circuit will defend and indemnify the Placing Agencies from any liability alleged or imposed as a result of the gross negligence or intentional conduct of an Ottawa Indemnitee. The Placing Agencies must promptly notify Ottawa of any such claim so that Ottawa can defend it.

III THE PLACING AGENCIES AGREE TO:

- Conduct appropriate and necessary legal proceedings and provide the Detention
 Center with a valid court order detaining the Juvenile(s).
- 2. Contact the Detention Center Superintendent (or designee) to make the initial referral and determine bed space availability. If substance abuse treatment is being sought for the referred juvenile prior to this call, the Placing Court will have the juvenile assessed by a substance abuse provider for the appropriate clearances necessary for this type of treatment.
- 3. Obtain medical releases for the Juvenile and provide all information requested by the Detention Center's administrative staff. The Placing Agencies will also be responsible for all necessary arrangements, such as transportation, prescriptions, surgery, post-surgical care, psychological testing, medical and dental care and costs of all desired services not normally provided at or by the Detention Center or its staff, including, but not limited to, medical, dental, mental health, optical care or testing for the conditions not directly related to or arising from housing of the Juvenile at the Detention Center.
- 4. Provide weekly contact between the Placing Court's caseworker and Juvenile unless other specific arrangements to the contrary are agreed upon by the Detention Center.
- 5. Hold harmless, defend and indemnify Ottawa and/or the 20th Circuit and their judges, officers and employees ("Ottawa Indemnitees") from any and all claims of or for liability, loss or damage, including but not limited to defense costs and attorney fees that the Ottawa Indemnitees may suffer arising out of, or in connection with the detention of a Juvenile pursuant to this Agreement, including but not limited to any services provided by the Detention Center, but excluding costs and liability arising from the gross negligence

or intentional acts of the Ottawa Indemnitees. The Placing Agencies further agree that Ottawa may select defense counsel and arrange for the defense of any such liability claims asserted against the Ottawa Indemnitees and the Placing Agencies will reimburse Ottawa for any reasonable costs and fees incurred to defend against any claims, demands, actions or suits brought against the Ottawa Indemnitees arising out of or in connection with service to the Juvenile(s) hereunder, provided that such reimbursement obligation shall not apply to any defense costs or attorneys' fees associated with a judicial finding that an Ottawa Indemnitee is liable for a tort of gross negligence and/or an intentional tort against the Juvenile.

IV COMPENSATION

- 1. In consideration for the services provided by the Detention Center under the terms of this agreement, for juveniles referred to it by the Placing Court and accepted by the Detention Center, the Placing Agencies agree to reimburse Ottawa in accordance with the terms specified below:
 - A. Detention bed rental \$290.00 per day
 - B. RISE Treatment Program \$340.00 per day
- 2. The 20th Circuit will submit an invoice to Placing Court by the tenth (10th) working day of the month following the month in which services were provided. The invoice will list the names of juveniles and the days of service provided as well as the per diem rate.
- 3. The Placing Agencies shall issue payment within thirty (30) days from receipt of the invoice. Questions or discrepancies must be submitted in writing to the Detention Center within ten (10) days of receipt of the invoice.
- 4. The Placing Agencies recognize the Detention Center has calculated the rates above based on its actual costs. By signing this Agreement and placing the Juvenile(s)

in the Detention Center, the Placing Court determines that services of the Detention Center are necessary for the Juvenile(s) and the fees reasonable and necessary for his, her or their treatment, irrespective of any limitation on reasonable and necessary costs imposed by the State of Michigan or limitation on state contributions to the local Child Care Fund.

5. The Placing Agencies further recognize the Detention Center reserves the right to change programs and/or increase costs and fees of the programs above as costs dictate in the sole discretion of the 20th Circuit Court. The Detention Center shall endeavor to give advanced notice of any increases and to keep increases to a minimum to the Placing Agencies, although circumstances may not enable such advanced notice.

V MISCELLANEOUS PROVISIONS

- 1. The Detention Center reserves the right to refuse admittance of any juvenile not under the jurisdiction of 20th Circuit when such admittance would unduly burden the facilities or create disadvantage for other juveniles under the management or jurisdiction of the 20th Circuit. In addition, the Detention Center may temporarily deny admission when the Detention Center census is too high. The Detention Center may also order the removal within twenty (24) hours of any juvenile whose continued presence is unduly detrimental to the welfare of such juvenile, or any juveniles in the Detention Center, or to the general operation of the detention facility. This right to order removal may be invoked in situations when:
 - A. Complete and proper documents are not presented to the juvenile at the time of detention.

- B. Medical conditions or injuries requiring immediate medical or mental health treatment.
- C. The juvenile is in such an emotional or distraught state as to be a risk to themselves or other juveniles at the Detention Center or employees in the Detention Center.
- 2. Neither party shall discriminate against or give preference to any Juvenile placed and cared for because of that Juvenile's race, color, creed, national origin, religion, sex, or disability.
- 3. No officer, agent, or employee of any of the parties to this Agreement shall be entitled to receive or be admitted to any personal share or benefit under any provision of this Agreement.
- 4. It is expressly acknowledged and agreed the parties shall observe the confidentiality of information, applicable provisions of Michigan Court Rules and County, State and Federal regulations pertaining to records, access to which is provided by Placing Court and/or 20th Circuit.
- 5. This Agreement may be modified or amended only by a writing duly executed by the parties as provided below.
- 6. This writing embodies the whole agreement of the parties. There are no promises, terms, conditions, or obligations other than those contained in this Agreement. All previous and contemporaneous communications, representations, or agreements between the parties, either verbal or written, are superseded by this Agreement. This Agreement may only be modified by a written agreement signed and approved by all parties in a manner like the original Agreement's approval.

7. This Agreement is not intended as a third-party beneficiary contract and may not be assigned. No party may claim a benefit to or right in this Agreement or its provisions

or services hereunder, except the parties signing below.

8. Any claim arising out of the performance of this Agreement or any of the services

provided herein must result in a lawsuit against a party below within six (6) months of the

date of the alleged performance breach or the date of the incident allegedly giving rise to

the liability or shall be considered time-barred, waived or otherwise released and the party

wishing to assert such a claim covenants that it will not file suit after such six (6) months

has elapsed. In the event this provision is violated, the party violating stipulates the

immediate dismissal of such a lawsuit and payment of reasonable attorney's fees.

9. If any part, term or provision of this Agreement is held to be illegal, in conflict with

any law or otherwise invalid, the remaining portion or portions shall be considered

severable and not be affected by such determination, and the rights and obligations of

the parties shall be construed and enforced as if the Agreement did not contain the

particular part, term or provision held to be illegal or invalid.

Attention: Mr. Paul Lounsberry

The Emergency Management and Homeland Security Division District Coordinators may make recommendations on reimbursement, but final approval remains with the Deputy State Director of Emergency Management, who may or may not approve a delay in the completion of the activity. If work activities (for which funds have been withheld) have not been completed by the end of the fiscal year, forfeiture of those funds may be required. For specific responsibilities and requirements, please refer to Section II (Statutory Authority) and Section IV (Responsibilities of the Subrecipient) in the Fiscal Year 2023 EMPG Grant Agreement.

This grant agreement and all required attachments must be completed, signed, and returned no later than November 28, 2023. - B. The FY 2023 EMPG covers eligible costs from October 1, 2022, to September 30, 2023. For guidance on allowable costs, please refer to the EMPG Appendix in the FEMA Preparedness Grants Manual.
- C. This grant agreement designates EMPG funds for the administration and oversight of an approved emergency management program. The Subrecipient may utilize grant funds for the reimbursement of salary, overtime, compensatory time off, and associated fringe benefits for the local emergency manager. If other organization costs are requested, a narrative must be submitted detailing the expenses that are included in these costs.
- D. The FY 2023 EMPG program has a 50% cost share (cash or in-kind) requirement, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, (Pub. L. No. 93-288) (42 U.S.C. §§ 5121 et seq.), specifically, Title VI, sections 611(j) and 613. Federal funds cannot exceed 50% of eligible costs. Unless otherwise authorized by law, federal funds cannot be matched with other federal funds.

Once notification has been made, any subsequent request for funds will indicate Subrecipient acceptance of the changes to the award.

SUBRECIPIENT RISK ASSESSMENT CERTIFICATION

As required by 2 CFR §200.331(b), the purpose of this assessment is to evaluate subrecipient's risk of noncompliance with federal statutes, regulations, and the terms and conditions of a subaward, and to determine appropriate subrecipient monitoring during the grant performance period. Limited program experience, results of previous audits and site monitoring visits, new personnel or new or substantially changed systems, may increase a subrecipient's degree of risk.

Form W-9 (Rev. 10-2018) Page **2**

By signing the filled-out form, you:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
 - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- 4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- · An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

- 1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
 - 2. The treaty article addressing the income.
- 3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption from tax.
- $\,$ 5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return

Payments you receive will be subject to backup withholding if:

- 1. You do not furnish your TIN to the requester,
- 2. You do not certify your TIN when required (see the instructions for Part II for details),
 - 3. The IRS tells the requester that you furnished an incorrect TIN,
- 4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- 5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

- b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.
- c. Partnership, LLC that is not a single-member LLC, C corporation, or S corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2
- d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.
- e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

- L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See What Name and Number To Give the Requester, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

- 1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.
- 2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
- **3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
- 4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
- 5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- · Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

Form W-9 (Rev. 10-2018) Page **6**

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

This means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

- 3. The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25%.

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office.

There may be instances where an award qualifies, in whole or in part, for an existing waiver described as "Buy America" Preference in the Federal Emergency Management Agency (FEMA) Financial Assistance Programs for Infrastructure | FEMA.gov.
