In Re: Request additional compensation to full-time staff of Wexford-Missaukee Community Corrections

Dear Committee Members,

Your consideration of this request is appreciated.

The two full-time staff members of the Wexford-Missaukee Community Corrections office, which falls under the 28th Circuit Court, rotate being on-call 24 hours a day, 7 days a week. This is to permit them to respond to violations by defendants of pretrial release conditions after normal business hours, on weekends, and on holidays. These include Soberlink alcohol monitoring, Global Positioning System monitoring, and police officer inquiries regarding defendants on their monitoring programs.

Currently, the two full-time staff receive 4 hours of "flex" time for this service per week. The concern, as I believe you are aware, is that this has created a negative perception among other county employees. Specifically, the two-full time staff may accrue "flex" time and use it in addition to other vacation and personal days. Their use of this time has reportedly created an appearance to some that they are excessively absent from their offices when they use this time-off. In order to address such concerns and to ensure their availability in the office, I am requesting financial compensation in lieu of allowing "flex" time. This request is consistent with other compensation provided to staff of other county courts. For example, the current aware of 4 hours of "flex" time per week results in 2098 hours, or 26 days, away from the office per year. This is in addition to their 25 days per year of vacation time and 3 personal days each.

While flex time is not paid, it is equal to about \$30.86 per hour for Mistine, and 24.61 per hour for Melissa (208 hours per year). At an average of \$28 per hour, that is \$6,384.

Respectfully, I am requesting an increase consistent with that given to the non-attorneys in the other local courts who provide similar on-call services, which is \$20 per day.

Over 365 days, that is \$7,300 shard between two full-time staff members. Community Corrections is provided a necessary service focused on protecting the community.

There are only two alternatives to this request. First, Community Corrections could decrease the services provided after hours, on weekends, and on holidays, which does not make sense and impacts the safety of the community. Second, Community Corrections could continue to employ the current aware of "flex" time. That would be disparate compared to other court employees. Moreover, the allowance of flex-time creates gaps in services and negative appearance to other county employees.

If you have any questions, please let me know.

Very Respectfully,

Hon. Jason Elmore (P67075)
Judge, 28th Circuit Court for
Wexford and Missaukee Counties
