AGENDA ITEMS

G.1. Discussion on Current Litigation Matters

Mr. Porterfield, County Administrator, informed the committee that they have not received any new updates. He stated that the Treasurer litigation is still ongoing.

G.2. Infrastructure Alternatives Inc. Monthly Report

Tom Lutke, IAI Project Manager, reviewed his report with the committee. Mr. Lutke stated that the PFAS sample was good and they are waiting on the full report. There was an issue with the emergency call out that AT&T was able to fix; however, Mr. Lutke provided a quote for a wireless system that would allow IAI staff to log in and look at the wells and check them before there is an emergency in the system.

A motion was made by Comm. Potter and supported by Comm. Musta to forward a recommendation to the full board to approve the presented quote from Infrastructure Alternatives in the amount of \$5,300 for a mission dialer to be installed to the Cedar Creek Water System. A vote was called, all in favor. Motion passed 3-0.

G.3. DHD #10 Naloxone Distribution Box Placement Discussion

Mr. Porterfield informed the committee that he was approached by the District Health Department about placing a Narcan box by the entrance of the Lake Street building. It would not cost the County anything. The Health Department already was approved to have one outside of the District Health Department building.

A motion was made by Comm. Potter and supported by Comm. Musta to forward a recommendation to the full board to approve the placement of a Narcan Vending Machine at the County Lake Street Building. A vote was called, all in favor. Motion passed, 3-0.

G.4. Material Management Presentation – Mathew Cooke, Community Planner, Networks Northwest

Mr. Cooke from Networks Northwest provided a DPA Scope of Work for the Materials Management Plan *(Attachment 1).* It is not known what the cost would be because there is potential for Counties to pair up. Counties do not need to have a decision made on who they select or plan to go with as DPA until July 6, 2024.

Mr. Porterfield stated that he has upcoming meetings with Manistee County and Missaukee County on working together for this project.

CORRESPONDENCE

None.

ADMINISTRATOR'S COMMENTS

Mr. Porterfield informed the committee that:

- The Material Management Plan is going to be a big project.
- There is going to be a substantial increase in tax revenue.
- There is an upcoming ground breaking for DTE's natural gas project.
- Mr. Dan Staub reached out to Mr. Porterfield to informed him that the State of Michigan thanked Pescador for their efforts at Cedar Creek and that costs will be decreasing.
- Mr. Porterfield helped Lt. McDaniel submit a letter to the Northern Michigan Regional Entity requesting funds to purchase a body scanner for the jail.

- To: XXXXX County
- Fr: Mathew Cooke, Community Planner
- **Re:** DPA Scope of Work Discussion

The following represents a draft scope of work for Networks Northwest acting as the Designated Planning Agency (DPA) to assist the Counties with Materials Management Plan work. Part 115 legislation, Materials Management Planning - Quick Guide, and Materials Management Plan Requirements were utilized to develop the scope of work.

Please note that this does not include a cost estimate and is for discussion to help identify where the Counties would like Networks Northwest to assist with the Materials Management Planning process. Any questions or comments are appreciated!

Scope Outline & Process:

It is expected that the following process will occur over a 18-24 month process.

- Act as the primary government resource and contact for the Materials Management Planning process and development of the Materials Management Plan.
 - Work alongside an identified County contact to lead the MMP development process
 - Respond and provide information to boards, staff, and the public in regards to the MMP process
 - o Networks Northwest to maintain a project resource webpage
 - Documents as developed
 - Public Input Opportunities
 - MMPC Meeting Agendas, Minutes, notices, etc.
 - Preparation and Development of the Materials Management Plan
 - Under the direction and guidance of the Materials Management Planning Committee (MMPC)
 - Developed to meet the requirements of Part 115, Solid Waste Management, of the Natural Resources and Environmental Protection Act, PA 451 of 1994, as amended.
 - Utilize the EGLE developed Plan Format (not yet released)
 - Provide notice to the chief elected official of each municipality in planning area, and those who request notification, of meetings when the MMP is to be discussed
 - Solicit and Analyze Public Input
 - Possible methods: community pop-up events, community input sessions, survey
 - Including but not limited to private entities, local units of government, the public and other appropriate organizations.
 - MMPC approval by resolution
 - Submission of MMP as approved by MMPC for comment period to identified organizations and public notices for public comment
 - Receive and analyze comments during public comment to develop a summary document for MMPC review
 - Revise and edit the MMP after comment period
 - Submit MMP to CAA for approval
